

ACADEMIC STANDARDS

Concurrent Enrollment and Distance Education courses are great opportunities for students to earn college credit while in high school. However, success in these college courses requires commitment and rigorous study time. Grades earned are added to both a permanent high school and college transcript. Students who perform poorly may run the risk of seriously diminishing their chance of attending any future colleges or universities of choice.

As such, students need to be aware of their own Academic Standing. Academic Standing at UVU is determined according to the grades earned by a student. If a student is not in Good Standing as explained below, a registration hold will be generated. A student will be unable to register for any future courses without first following the below solution steps. Any questions regarding Academic Standing, please contact the **Academic Standards Office** at (801) 863-5325.

TYPES OF ACADEMIC STANDING

- **Good Standing** - Student's most recent semester GPA and the cumulative GPA are 2.00 (C grade) or higher.
- **Academic Warning** - Student's most recent semester GPA is below 2.00 (C grade). A registration hold is activated. **COMPLETE SOLUTION STEP 1.**
- **Academic Probation** - Student's cumulative and semester GPA are below 2.00 (C grade). A registration hold is activated. **COMPLETE SOLUTION STEPS 2 AND 3.**
- **Continued Probation** - Student's second consecutive semester and cumulative GPA fall below a 2.00 (C grade). A registration hold is activated. **COMPLETE SOLUTION STEPS 2, 3, AND 4.**
- **Suspension** - If a student's cumulative and semester GPA falls below a 2.00 (C grade) for the third semester, the student will be suspended from UVU. The student must submit a "Petition for Suspension Review" before he/she may be considered for re-admission. A copy of the petition can be found at www.uvu.edu/academicstandards.

SOLUTION STEPS

1. Complete the online **Academic Warning Workshop** at www.uvu.edu/academicstandards. Print and complete **both** the worksheet and Academic Standards Contract (which you sign). Either fax or personally deliver the documents to the Concurrent Enrollment Academic Advisor or other UVU advisor in the Losee Center, Room 402. If you choose to fax the documents, please fax them to: **(801) 863-8176**.
2. Complete the online **Academic Probation Workshop** at www.uvu.edu/academicstandards. Or check the website for available dates and times for our on-campus workshops. Print and complete the 4 worksheets. You can ignore the 5th worksheet that deals with Financial Aid since you are still in high school.
3. After completing the worksheets from the **Probation Workshop**, the student must meet with the Concurrent Enrollment Advisor or a UVU Academic Standards Advisor in the Losee Center, Room 402. We encourage both the student and a parent to attend the meeting. (A phone conference can also be scheduled for the students who live out of area at 801-863-6931.)
4. Provide a midterm grade report to the Academic Standards Office in the Losee Center, Room 402. If you should have any questions, please call (801) 863-5325.
