February 16, 2022

3:30 pm

via Zoom

1. Welcome

Attendance:

Bart Peery
Jaime Christensen
Kari Kieffer
Lorraine Davis
Shauna Warnick

2. Update on N.O.L.S.

We now have 536 students.

SPED students had an overall higher pass rate than our regular ed students for MT5.

Majority of students are NOT enrolled for covid related reasons.

3. Upcoming Trustland Plan

Problem we've identified:

Certain classes that are a struggle for students - math, english, and biology

Full time secondary teachers - 1 math, 1 english, and 1 science

To improve overall learning for secondary students, we want to hire 3 full-time secondary teachers for NOLS.

Perhaps use 0.25 of an FTE to replace English teacher at the ALC

4. Other Items

Ideas:

Collaboration with Landmark teachers

Collaboration with other online schools in Nebo

Testing options for NOLS students

Wellness room at Westside Elementary
