

SCHOOL COMMUNITY COUNCIL AGENDA ADVANCED LEARNING CENTER

March 16, 2022

1. Welcome

Attendance:

2. Update on N.O.L.S.

We are becoming our own school for 22-23. We are growing fast enough and have the needs for funds that are directly coming to NOLS. This will simplify lots of the back-end processes.

We will need to create a NOLS specific school community council.

3. Trustland Plan Approval

This year's plan is focused on secondary students. Hiring full-time teachers and technology. Measurements of success - pass rate, end of level testing, graduation rate.

Motion to approve by Lorraine Davis.

Seconded by Kari Kieffer
